FIG. 5

FIG. 6

A cross-sectional view of a multi-layered structure 17. The structure consists of several horizontal layers. The top layer is labeled 24. Below it is a layer labeled 26. A central region is labeled 21, which is flanked by regions labeled 27. The entire structure is bounded by a top layer labeled 22 and a bottom layer labeled 71. A large rectangular region at the bottom is labeled 72.

This diagram shows a cross-section of a multi-layered structure. It consists of several horizontal layers. The top layer is labeled 24. Below it is a layer labeled 27. The next layer is labeled 26. Below that is a layer labeled 22. The bottom layer is labeled 21. A central region, labeled 71, contains a series of vertical lines or segments labeled 72. The entire structure is supported by a base labeled 17.
